Skills

Languages

- Javascript
- HTML
- CSS
- Ruby

Storage

- SQL (PostgreSQL)
- Object Storage (S3)
- Ceph-Rook (Block)
- NAS (Samaba running on a on-prem Kubernetes cluster)
- Nextcloud (docker-compose on a dedicated cloud server)

Automation

- Rsync
- Bash
- rsnapshot

Runtimes

- Node
- Browsers

Tools

- NPM
- NPX
- Babel
- PostCSS
- Snowpack
- Webpack
- Docker
- Docker-Compose
- Kubectl
- Kubeadm
- Skaffold
- Git

Frameworks

- Express
- Ruby on Rails
- Tailwind CSS

libraries

- React
- Axios
- jQuery

Test Tools

- Mocha
- Chai
- Jest
- Cypress

Summary

I am an experienced building designer looking to make the career shift to web development. I left my job in November to pursue a career in web development.

Projects
